

BASIC COURSE IN FIELD ORNITHOLOGY AND BIRD MIGRATION STUDIES

AIM OF THE COURSE

To create a network of birders and bird ringers to contribute to the Central Asian Flyway. The training would help us to create a network of voluntary forces to contribute to bird monitoring and bird ringing.

This workshop focuses mainly to impart training in the field related to bird population monitoring through bird count and movement through bird marking, in addition to classroom sessions on various aspects of bird migration study techniques.
